

# ROLLING RESISTANCE MACHINE

Premium quality rolling bench for UNECE R 117 labelling test and R&D development

## > Product purpose

### Labelling

Rolling resistance measurement for C1 and C2 tire.

UNECE R 117

ISO 28580

ISO 18164

### R&D

Full control of the indoor climate.

High quality rolling resistance measurements to compare and analyze tires.

## > Strengths

### Premium quality

Quality materials for robustness machine.

### Optimum profitability

Low cost of ownership.

Only 1 operator is necessary.

### Two measurement heads

Possibility to measure two C1 and C2 tires simultaneously.

### Fast and userfriendly

Quick startup program and easy repeatability.

Userfriendly software to program automated tests conditions.

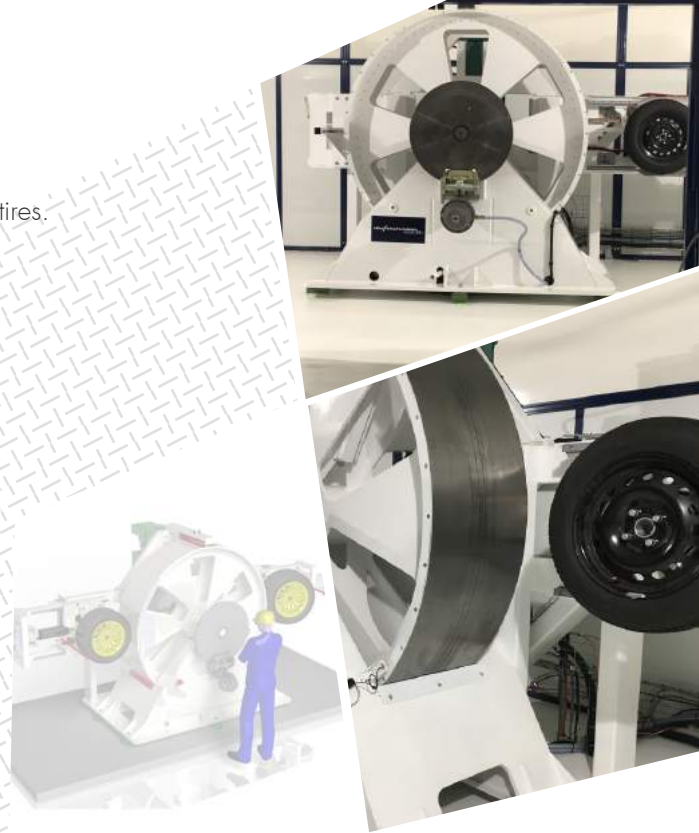

### Basics

Premium rolling resistance machine.

## > Our customers

Tire manufacturers

Testing and labelling centers

Premium rolling resistance machine for wet grip labelling.
